Over the past two years the financial landscape has undergone cataclysmic change. With new rules, new players, and new policies, is economic recovery truly on the horizon? Looking ahead to 2010, Soltis Investment Advisors will feature 5-star money manager, Steven D. Harrop, who will present insights into the macro-economic environment and discuss a fundamental approach to where the markets and the economy appear to be headed. Steve has been a lead portfolio manager for billions invested in cash, fixed income, and equity and will share insights on world capital markets and their potential impact to local business owners and professionals.

Steven D. Harrop is a Certified Financial Analyst and a Lecturer in Finance at Southern Utah University. He is a graduate of Brigham Young University and holds a Master of Management Degree from the Kellogg School of Management at Northwestern University in Chicago.

Steven is the only portfolio manager known to have been recognized by Lipper Analytical Services for performance achievement in the management of stocks, bonds and money market funds. He is currently serving on the Board of Directors for Soltis Investment Advisors and Heritage Bank.

Soltis Investment Advisors is a St. George, Utah based Registered Investment Advisory Firm, focusing on asset management for “high net worth” individuals and qualified retirement plans. The company’s core philosophy is founded on independence, performance, and service. Soltis manages over \$700 million in assets, is currently the largest independent advisory firm in Utah, and ranks in the top 6% of advisors nationally.
